Medications for Opioid Use Disorder (MOUD) Bridge Program Referral & Intake Process

SUD treatment organization referral to MOUD bridge provider

Intake packet completed by patient & treatment counselor

Review of packet, decision in 1-2 weeks

If eligible, telehealth appointment scheduled

Telehealth visit (office- or home-based); urinalysis

Bridge provider completes intake, documents visit, schedules follow-up

Ongoing 20-minute follow-up visits, prescription of MOUD

Patient transitions from bridge provider to local primary care provider for MOUD

Note: A process is also established for referral back to a substance use disorder (SUD) treatment organization if a patient needs more intensive treatment.
